Welcome to Breakfast with Santa!

How to order your photo with Santa:

1. Choose the package or photos you want to order, circle your choices if you'd like.
2. When Santa sits down, you may enter the photo line.
3. Give your contact information to the first helper, receive a number, and continue through the line.
4. The helper at the front of the line will ask for your name, your order, and you will pay.
5. You're next in line! Show your number during your first picture and smile with Santa for additional photos after that!
